ACO Appoints New Director of Clinical Services

The Australian College of Optometry is very pleased to announce that, following an international search process, Dr Sharon Bentley has been appointed as our new Director of Clinical Services, replacing Associate Professor Jonathan Jackson.

Sharon is a registered optometrist with undergraduate and postgraduate degrees in optometry and public health, having studied at the University of Melbourne and Johns Hopkins Bloomberg School of Public Health, in Baltimore, USA.

Sharon is a highly experienced optometrist clinician, educator and researcher, having worked in Australia, Canada and the USA over more than 20 years.

Sharon is committed to evidence-based public health eye care and vision service delivery and has a strong interest in the area of low vision.

Sharon will commence in her new position as ACO's Director of Clinical Services on Monday 3 November.

For further information please contact Arwen Bardsley on (03) 9349 7550 or aco@aco.org.au.
