

ACO Conference Last Call

The Australian College of Optometry's (ACO) 2014 Conference takes place at the Melbourne Cricket Ground from Saturday 18 – Sunday 19 October.

Up to 53.5CPD (including 29 Therapeutic) points are available.

The conference features a series of educational presentations by experts in optometry, among them Associate Professor Jamie Craig and Professor Robyn Guymer from Australia, Dr. Peter Hadden from New Zealand and Professor Austin Roorda from the University of California.

Dr. Bang Bui, Dr. Michael Loughnan and Associate Professor Salmaan Qureshi will chair a symposium entitled *Alternative Approaches to Clinical Management*.

A pre-conference workshop on Optical Coherence Tomography will take place on Friday 17 October and, on Monday 20 October, a Cardiopulmonary Resuscitation Course, both at the ACO, Carlton.

To register visit www.aco.org.au or phone (AUS) 03 9349 7477.
