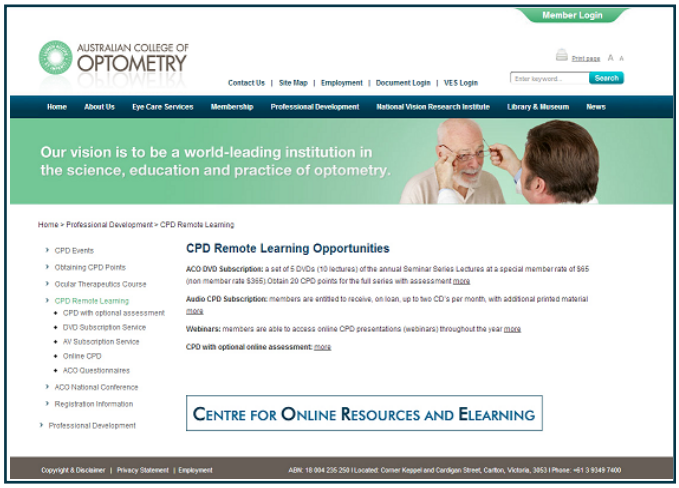
ACO STUDENT CORE PACKAGE



The ACO is offering a special package to student members - online access to learning materials for $50 per year.

To meet the busy needs of today's optometrists and students, the ACO has developed a convenient way for you to access our on-line learning resources via the ACO Centre for Online Resources and E-learning (ACO CORE). ACO CORE increases your access to education resources and advocates learning at your own pace.

What does ACO CORE provide?

- ACO webinars and assessments online
- Seminar Series and assessments online
- All associated lecture notes, learning objectives and speaker biographies all in the one place
- Extra learning resources such as online journal articles and books from the Nathan Library
- Available for $50 to ACO Students each calendar year
